GOODS/RESTRICTED GOODS - NOT PERMITTED

Please note due to the reinforcement of security measures in air travel, all shipments boarding aircrafts are subjected to inspection by Qatari customs officers, Transport Qatar agents, Airline handling staff or by the freight forwarder before departure. This is to ensure the safety of passengers aboard the aircraft. In accordance with International Law (IATA Dangerous Goods Regulations) the goods listed below are classified as "Dangerous" and not allowed for shipment by AIR. Many items which appear harmless in everyday use can pose dangers on aircraft and are consequently forbidden for transport. The following items are prohibited - at all times - on board an aircraft. If any of the following products are found in your cargo/shipment they will be immediately withdrawn and will not travel with the rest of your belongings. This will be your responsibility to retrieve them or they will be destroyed by airport personal. (Fees can also apply)

DANGEROUS GOODS

Are any of the following in your shipment ?

All flammable liquids & Solids:
such as perfume, aftershaves, household cleaning products, some mosquito repellent

Gases: such as deodorants, body sprays, hairsprays, air fresheners, compressed gas canisters (camping products), cigarette lighters

Explosives: Ammunition, Christmas crackers, snaps, Fireworks, Fuses, etc...

All oxidizing substances & organics peroxides : bleach, etc...

Radioactive Materials.

Corrosive substances:
All battery types, corrosive cleaning fluids, acids, etc...

Miscellaneous Dangerous goods:
Asbestos, Magnetized materials, Dry Ice, Self inflating life jackets, etc..

toxic & Infectious substances:
